We support the **Ready for School** campaign and its goal to increase access to high-quality pre-kindergarten for economically disadvantaged children. As a critical step toward achieving this goal, we support fully funding Oregon Head Start Prekindergarten (OPK) -- a program proven to close the achievement gap for children in poverty.

Thank you for becoming a member of **Ready for School**. Below are answers to some common questions about our membership forms and membership in our campaign coalition.

1. Signing a member form simply confirms membership in **Ready for School**, the official coalition of local citizens, businesses and groups organized to support increased high-quality pre-kindergarten opportunities for disadvantaged children.
2. Signing a member form does not obligate you to contribute time or money, or attend any meetings or make public statements. Members are welcome to become more actively involved in coalition activities. However, any further involvement beyond being listed as a supporter is entirely voluntary.
3. To show the breadth of our membership, lists of our members may be used in materials such as fact sheets, brochures, letterheads, and possibly in advertisements. All statements in such materials will be based on verifiable facts and information, and all publications and activities of our coalition will be conducted in strict compliance with all relevant state and local laws and regulations.
4. All lists of members will note that any titles and affiliations are for identification purposes only.
5. Member contact information will be used solely for communications between **Ready for School** and our members. Member addresses and contact information will not be sold or provided to any other groups, organizations or businesses.
